## APPROVED / SIGNED

| | |
|---|---|
| **Name** | **Oleksandr Purpurov** |
| **Title** | Founder & CEO, IMARCH LTD |
| **Location** | London, United Kingdom |
| **Issued** | 2026-10-13 12:34:27 UTC |

This certificate attests that the document with the SHA-256 digest above existed no later than the stated Bitcoin block. It does not make the document itself indestructible only the fact of its existence at that time is cryptographically provable.
