# ANNEX A TO THE CHARTER — REGULATION ON PARTICIPATION AND SUCCESSION

## 1.1 Economic Foundation

All financial obligations arising from institutional awards and honours are met exclusively from the net commercial profits generated by the Missions of IMARCH LTD. Working capital, investment contributions, and loan funds are not subject to distribution under this Regulation.

## 1.2 Functional Mission Budget (30%)

In respect of award holders of Grade I (Senior Grade), a functional budget is established in the amount of thirty per cent (30%) of the net profit of the relevant Mission. These funds are designated for operational activities, infrastructure maintenance, and the delivery of objectives under the Vis Realitatis project.

## 1.3 Personal Lineage Support Protocol (10% of Functional Budget)

From the allocated functional budget (30%), a share of ten per cent (10%) — representing effectively three per cent (3%) of the total net profit of the Mission — is directed towards the personal needs of the biological heirs of the asset holder. These funds are designated for healthcare, education, housing, and dignified personal maintenance.

## 1.4 Succession and Oversight

In the event of the death of the asset holder, management rights over the budget and functional obligations shall pass to the officially appointed Mission Successor.

The Directorate of IMARCH LTD shall exercise ethical compliance oversight. Any application of funds towards destructive purposes — including but not limited to controlled substances, criminal activity, or extremism — shall result in the immediate annulment of all entitlement to distributions.
